## 5. PBIS- Travis Moss

- PBIS stands for Positive, Behavioral, Intervention, Support

- PACK stands for: Positive, Accountable, Courageous and Kind
- We have PACK slips teachers can send to students and they get recognized on Fridays.
- Develop positive school culture
- Teach students appropriate behavior and give them the support to sustain that behavior
- Increase academic performance
- Increase safety
- Decrease problem behaviors
- Our process: We define, We combine, We refine, We practice
- Matt asked if this is a curriculum that we use. It's not a curriculum, it's something that started in special education but has evolved. It's research based but in house created.
- The committee is all voluntary and we meet 8 times a year. We meet at the end of each quarter to go over the data that was presented and make adjustments as needed.

#### 6. Trustlands Funds continued review, discuss & vote- Alison

- \$72,000 pays for the teacher, benefits, the stuff that goes with hiring a new teacher.
- We need to start buying  $\frac{1}{3}$  of chromebooks for the school. We can't afford to buy all chromebooks brand new every year so we will start now and replace  $\frac{1}{3}$  every year.
- Alison asked if everyone was ok with this trustlands budget. Everyone agreed and signed off on the budget

#### 7. Other
