

Spring Canyon SCC Minutes

October 18, 2023

1. Welcome

Per our text conversation earlier today, here is the training for community councils to better understand your role and responsibilities on the council. I will make sure in our Nov 15 meeting that I have a specific place to review highlights (briefly) and to answer any questions - I do want to make sure you feel good about being on the council and what it means to be that "neighborhood bridge" to the school and our eyes-and-ears in the community.

Thanks for being so wonderful to work with and enjoy a nice break from school and homework with the kids!
