

Utah Immunization Requirements for 7th Grade Entry 2021/2022

To attend the 7th grade in Utah a student must have proof of receiving the following immunizations:

- **1 Tetanus/Diphtheria/Pertussis (Tdap) booster ***MUST CONTAIN PERTUSSIS*****
 - Tdap required regardless of interval since last dose tetanus/diphtheria containing vaccine
 - kindergarten dose *does not* count as booster requirement for 7th grade
 - Td is not acceptable
- **1 Meningococcal Vaccine**

2 Varicella (chickenpox) *(Documentation of the varicella disease must be confirmed by your licensed healthcare provider.)

To claim a **personal, religious or medical exemption**, the legal guardian must complete an on-line educational module (free of charge) and provide a copy of the completed form to the school official. The on-line course can be found at www.immunize-utah.org. *Completion of the on-line educational module can be done at the Health Department if you do not have access to a computer. For a **medical exemption**, a written notice from a licensed health care provider must be provided along with a copy of the completed on-line educational module. It should state the physical condition of the student, and why that vaccine would endanger the student's life or health.*

This record may be turned in now to your student's current school or to the middle/junior high school they will be attending. **Please attach a copy of the vaccine record.**
