INTRAMURAL ACTIVITY: **Lego Club (Winter Edition)**

INTRAMURALS 2023-24 School Year

We are excited about our year of intramurals! Our Intramural calendar can be found on our school website under the Intramural tab so you can see our year at-a-glance. We will announce when each activity is about to begin and permission slips for that activity are available and you can always refer to our school website for this same information and copies of permission slips if needed. There is no cost to participate in intramural activities.

Permission slip: return the bottom portion of this note if interested in participating. Every student must have a permission slip to participate.

*****Permission slips due: Monday, January 29th*****

A note from the advisor: **Mr. Troy Andersen**

*Do you like creating with LEGOs? If so, the intramural **LEGOs from Scratch** is the place for you! Rather than following step-by-step instructions to build LEGO sets, students will use their imaginative minds to build their own creations using basic LEGO bricks and accessories. Each time we meet, students will be given a themed challenge-of-the-day to accomplish. Some of the themes could be Boat Building, Houses on Stilts, Crash Landings, Monster Creations, Bridge Attack, and more! Creations will be displayed within the school for others to see and enjoy.*

Limited to 30 students on a first come, first served basis. Depending on interest, we may also be doing this LEGO intramural in April or May. Please circle ONE option below so we know when you would most like to be part of this group:
