

# Spring Canyon SCC Agenda

Apr 27, 2021

## 1. Welcome!

In attendance: Erin Whiting, Tabitha Pacheco, Andrea Hadlock, Curt Kent, Alison Hansen, Angela Youd, Travis Moss

Excused: BJ Wright, Matt Bradley

## 2. Review and approval of minutes.

Erin made a motion to accept last meeting's minutes, Tabitha seconded. All agreed.

## 3. Rules of Order – review, discuss questions as outlined, vote.

A discussion was held regarding the rules – for the most part, things look great. The discussion was that we hope to never have to use these, but nice to have in case a disagreement or issue arises. Discussion items were added to the draft of the Rules of Order and the committee was comfortable with Alison wording the changes in a way that kept the spirit of the conversation (it'll take a min to finesse the language to be precise). The committee approved the rules of order with the caveat that they would revisit at the first meeting of the school year in Sept.

## 4. Safe Walking Routes

Safe walking routes were presented and two amendments were made. Alison will submit the final routes to the district where city officials will meet in June with each principal and district representatives to lend support and/or hear proposed changes. One specific item the council brought up was the need for a crosswalk at 1150 S and 1200 W and Alison will discuss that in June's meeting with city officials.

## 5. Sign-off Sheet

The sign-off sheet will come electronically – watch for it from the state. Each member will indicate that they participated in the council and were a part of the process.

6. Our next meeting will be Wed, Sept 8, 4:00 pm – what fun we will have to talk about once school has started!!

7. Other

Alison gave a brief summary of our PTA to this point. Our community voted for a PTA (vs a PTO) and held its first meeting on Apr 14. There a tentative executive board was set and a callout to the community was sent soliciting any more names. One individual stepped up with an interest to be pres-elect or treasurer. A ballot was posted on the school website, sent to school social media sites, and directly emailed to all those parents in the school community that expressed interest in belonging to the PTA in any capacity. Voting will conclude this Fri, Apr 27, where the board will be set and can move forward. The PTA tab of the school website will be kept updated for any interested patrons.
